

General Conditions of Insurance

General conditions of insurance ("GCI") for the group insurance contract between

- Delticom AG, Hannover ("Policyholder")
- i-surance GmbH, Berlin ("i-surance")
- Great Lakes Insurance SE, Munich ("Insurer") and
- you as insured person ("you" or "insured person")

regarding the insurance of tyres sold by the Policyholder to its customers. i-surance performs certain functions on behalf of the Insurer in connection and for the performance of the group insurance contract.

Who is behind the tyre insurance?

The insurer is Great Lakes Insurance SE (Königinstr. 107, 80802 Munich, Germany), authorized by the Federal Institute for the Supervision of Financial Services (BaFin). Great Lakes is a 100% subsidiary of Munich Re.

i-surance GmbH (Brunnenstr. 181, 10119 Berlin, Germany) is an insurance intermediary in accordance with § 34d Abs. 1 GewO, registered at the Chamber of Commerce and Industry (IHK) Berlin, Germany with the number D-34IG-YMWJ7-22.

Delticom AG (Hedwig-Kohn Str 1, 31319 Sehnde, Germany) is selling its products through its online retailers, adding insurance related to such products, with the assistance of i-surance, as a group insurance contract. This group insurance contract enables you to join the contract as insured person.

Section 1: Revocation policy

1.1 Right of Withdrawal

You can withdraw from your insurance contract within 14 days without giving reasons in writing. The withdrawal must be sent at Delticom AG, Hedwig-Kohn Str 1,31319 Sehnde, Germany, by email at mytyres@delti.com. The period begins after you have received the insurance policy, the contractual provisions including the GCI, the required further information required by applicable law and this instruction in text form, but not before fulfilment of our obligations in accordance with applicable legal requirements. The timely declaration of the withdrawal to i-surance before the expiry of the withdrawal period shall suffice to comply with the withdrawal period.

1.2. Consequences of withdrawal

In the event of an effective withdrawal, the insurance coverage shall end retroactively to the date of conclusion of the insurance contract and we shall reimburse you for the part of the premiums attributable to the period after receipt of the withdrawal if you have agreed that the insurance coverage begins before the end of the withdrawal period. In this case, we may retain the portion of the premium that is attributable to the time until receipt of the withdrawal. This is the amount calculated pro rata according to the number of days. The reimbursement of amounts to be repaid shall be made immediately, at the latest 30 days after receipt of the withdrawal. If the insurance coverage does not begin before the end of the withdrawal period, the effective withdrawal shall result in the return of received benefits and the surrender of benefits derived (e.g. interest).

1.3. Special information

Your right of withdrawal expires if the contract is completely fulfilled by you and us at your express request before you have exercised your right of withdrawal.

End of the revocation instruction

Section 2: Insurance coverage

2.1 Who can sign-up for the tyre insurance coverage?

You as the buyer of the tyre(s) (as stated on the tyre invoice), if you do not use the tyre(s) for commercial purposes, can join the group insurance contract.

2.2 What can I insure?

Insurable are new tyres for passenger cars, vehicles or small buses up to 7.5 tons admissible total weight, as well as for ATV (all-terrain vehicles), and motorbikes. The tyre(s) must be authorized for use on public streets and must be bought at the respective online retailer who is offering you to join the group insurance contract.

2.3 Which risks are covered by the tyre insurance?

The tyre is insured if it is fixed on the vehicle at the moment of the insured incident and if one of the following risks render it unusable:

- contact with the curb or any object which causes damage that makes the insured tyre useless (e.g. nail, glass);
- a burst ("flat") tyre; or
- an act of vandalism.

2.4 What is the geographical coverage of my tyre insurance?

Insurance coverage is valid for insured incidents happening in Europe (according to the international insurance certificate, "green insurance card"). You can find the list of the countries included in the green insurance card system under www.tff.se.

2.5 What are the insurance benefits?

The insurance reimburses the costs for the repair or replacement of the insured tyre following an insured event. A replacement tyre must be purchased at the online retailer where you purchased the insured tyre and joined this group insurance contract, unless doing so is impossible. The replacement tyre needs to be the same model and brand as the insured tyre if still available. A replacement of the insured tyre takes place in case of total or partial damage of the tyre if the repair is economically and technically impossible. The insurance benefits are limited to the purchase price of the insured tyre at the time of joining the insurance, up to a maximum of SEK 3200 per tyre. Payment will be made to your bank account after deduction of the excess fee (see number 3.2).

2.6 How many claims are allowed?

If you have a successful claim on your insurance and the insured tyre is repaired, your insurance coverage will continue for the remainder of the contract. In case of replacement, your insurance coverage will automatically expire on the tyre that is

rendered useless. The insurance coverage will not be transferred to the replacement tyre. However, you can sign-up for further insurance coverage when purchasing the replacement tyre at your online retailer.

2.7 What is not covered by my tyre insurance?

Excluded from insurance coverage are any of the following events:

- Theft of the insured tyre or the vehicle;
- Normal wear or excessive wear;
- Tyres from commercial trucks and taxis;
- Damages caused by a third party due to an improper fitting or use of the tyre;
- Damages of a tyre with a tread depth of less than 3 mm;
- Damages caused by a road accident;
- Damages which happen during off-road drives or damages resulting from sports activities such as rallies or auto races;
- Costs for tyres on the same axle, if the other one is not insured or damaged;
- Damages which are due to intentional or gross negligent behavior;
- Related costs, e.g. towing or fitting costs;
- Damages for which a third party is liable due to legal or contractual obligations, e.g. manufacturer warranty;
- Damages due to warlike or terroristic events and unrests of all kind and all the arrangements taken against them as well as natural disasters;
- Damages due to incorrect tyre pressure, deviating from the manufacturer specifications or caused by incorrect chassis settings or improper storage.

2.8 When does my insurance coverage start?

The insurance coverage starts from the purchase date of the insured tyre, which is stated on your tyre invoice, under the condition that the insurance premium is paid on time as per number 2.10.

2.9 When does my insurance coverage end?

The insurance coverage terminates automatically after 12 months from the insurance coverage start date (described in point 2.8). There is no requirement to provide a notice of termination. The insurance cover will end sooner if the damaged tyre is replaced by a new tyre. The insurance coverage will also end where loss or total damage occurs, which you have not claimed on the insurance.

2.10 How can I pay the insurance premium?

The insurance premium is a one-off payment for the entire insurance coverage period and is due when signing-up for insurance coverage as part of the tyre purchase process. The one-year contract premium is SEK 39.90 per tyre, including insurance tax. The insurance premium has to be paid with one of the payment methods offered by your tyre online retailer.

If the payment of the insurance premium has not been made immediately the insurance coverage starts only after the effective date of payment, unless you are not responsible for the failure or delayed payment. Furthermore, the insurer can reject your accession to the group insurance contract unless you are not responsible for the delayed payment.

Section 3: Obligations in case of a claim

3.1 How to notify a claim?

Claims are conclusively and exclusively handled by i-surance. In case of an insured event, you shall report the claim online within 10 days through the website of your tyre online retailer where you have signed-up for insurance coverage.

3.2 Do I need to pay an excess fee?

If you have a successful claim which involves a tyre repair, no excess fee will apply. If the successful claim involves a replacement, an excess fee of 25% of the purchase price (including VAT) of the insured tyre or the replacement tyre, if the replacement tyre is of lower value compared to the insured tyre, as stated on the tyre invoice, applies.

i-surance will deduct the excess fee from the amount to be refunded for the replacement of the insured tyre.

3.3 What are my obligations in case of a claim?

You have the following obligations when notifying a claim:

- You shall report the claim online within 10 days by providing the required information that is complete and true, using the online claim application available on the online store of your tyre online retailer where you signed-up for insurance;
- If a replacement tyre is needed, you shall purchase the replacement tyre at your tyre online retailer, where you signed-up for insurance coverage, unless doing so is impossible, and send i-surance the invoice for the refund;
- In case of vandalism, you must also report it immediately to the police;
- Provide the required documents which are necessary to check the eligibility and amount of the insurance benefits;
- If the insured event is eligible for benefits from a third party (e.g. another insurance company), you must secure your entitlement from the third party.

3.4 What are the consequences of violation of my obligations?

If you violate your obligations deliberately, the insurer is free of its obligations. In the case of your gross negligent violation of your obligations, the insurer is entitled to reduce insurance benefits in proportion to the seriousness of your violation.

The insurer will be free of its obligation if you delude or try to delude the insurer fraudulently with facts which are relevant to the validity or amount of your claim under your insurance coverage.
